SITE PLAN REVIEW LEVEL II: ADMINISTRATIVE REVIEW OF DETAILED SITE PLANS

All applications for permits for non-residential and multi-family structures that do not constitute a development of significant impact, shall be accompanied by the following:

1. A site plan (3 copies), drawn to scale, that includes the following for the use of the Planning Official:
 - a. The actual dimensions, size, square footage, and shape of the lot to be built upon as shown on an actual survey by a registered design professional licensed by the State of West Virginia and as authorized by West Virginia State law, said survey to be provided by the applicant;
 - b. The exact sizes and locations on the lot of existing structures, if any;
 - c. The location, square footage, and dimensions of the proposed structure or alteration;
 - d. The location of the lot with respect to adjacent rights-of-way;
 - e. The existing and proposed used of the structure(s) and land;
 - f. The number of employees, families, housekeeping units, bedrooms, or rental units the structure(s) is designed to accommodate;
 - g. The location and dimensions of all existing and proposed means of ingress and egress to the site;
 - h. Height of structure;
 - i. Show distance from all existing and proposed structures/uses to property lines;
 - j. Buffer yard and screening, if applicable;
 - k. Location of garbage collection area and screening;
 - l. Layout and designs of all internal roadways, as may be required by Article 2600 "Roads and Rights-of-Way" of this Ordinance;
 - m. Utility lines and easements; and,
 - n. Signature of applicant.
2. Parking and Loading Facilities Plan, as may be required by Article 2500 "Parking and Loading Facilities" of this Ordinance.
3. Landscaping and Screening Plan, as may be required by Article 2550 "Landscaping and Screening" of this Ordinance.
4. Lighting and Illumination Plan, as may be required by the Planning Official.
5. Signage Plan, as may be required by the Planning Official.

SITE PLAN REVIEW LEVEL II: ADMINISTRATIVE REVIEW OF DETAILED SITE PLANS (CONTINUED):

6. Drainage and Stormwater Management Plan, as may be required by Article 2650 "Drainage and Stormwater Management" of this Ordinance.
7. Water Facilities Plan, as may be required by Article 2700 "Water Facilities" of this Ordinance.
8. Sewerage Facilities Plan, as may be required by Article 2750 "Sewerage Facilities" of this Ordinance.
9. Grading Plan, as may be required by the Planning Official.
10. Approved WV Division of Highways Access Permit, if applicable.
11. Sediment and erosion control plan as approved by the West Virginia Department of Environmental Protection.
12. Preliminary building plans and elevations illustrating proposed building construction and alteration, including an indication of exterior materials, textures and colors.
13. Floor plans of each level of the structure.
14. Any other such information concerning the lot or neighboring lots as may be required by the Planning Official to determine conformance with, and provide for the enforcement of, this Ordinance. Where deemed necessary, the Planning Official may require that in the case of accessory structures or minor additions, all dimensions show on plans relating to the size of the lot and the location of the structure(s) thereon be based on an actual survey by a registered design professional licensed by the State of West Virginia and as authorized by West Virginia State law, said survey to be provided by the applicant.

These requirements apply to the zoned planning districts in Monongalia County. No site plan shall be accepted unless it is complete and is verified as to the correctness of information given by the signature of the applicant attesting thereto.

The Planning Office shall review site plans and such reviews may include other agencies that the Planning Official believes to have a direct or indirect interest in the development site.

Approval of site plans shall expire two years from the date of approval. In the event construction authorized by a zoning permit has not been completed within two (2) years, the permit shall become null and void.

The Planning Office shall make every reasonable effort to process an application within 30 working days once the application is deemed to be complete.
